NOTICE OF ADOPTED AMENDMENTS

1) LENDERS SHALL APPLY FOR THE YFG LOANS ON FORMS PROVIDED BY THE AUTHORITY. THE APPLICATION SHALL AT A MINIMUM CONTAIN THE YOUNG FARMER'S NAME, ADDRESS, PRESENT CREDIT AND FINANCIAL INFORMATION, INCLUDING CASH FLOW STATEMENTS, FINANCIAL STATEMENTS, BALANCE SHEETS, AND ANY OTHER INFORMATION PERTINENT TO THE APPLICATION, AND THE COLLATERAL TO BE USED TO SECURE THE STATE GUARANTEE. Applications shall be processed by the Authority on a first come, first served basis, based upon the receipt of all completed documents by the Authority.

2) LENDERS SHALL CERTIFY THAT THE APPLICATION AND ANY OTHER DOCUMENTS SUBMITTED ARE TRUE AND CORRECT.

3) Each applicant shall pay a \$300.00 application fee which will be submitted to the Authority at the time of the application. At the time the loan is closed, the applicant will be required to pay a closing fee of 3/4 of 1% of the YFG loan amount less the \$300 application fee. Of this 3/4 of 1% closing fee, the Authority shall receive 1/2% and the lender shall receive 1/4% to cover administrative expenses in completing the application packet and closing documents. The 3/4 of 1% closing fee may be included in the State Guarantee loan amount. The lender shall charge no fees or points in addition to those outlined herein. THE APPLICANT SHALL BE RESPONSIBLE FOR PAYING ANY FEE OR CHARGE INVOLVED IN RECORDING MORTGAGES, RELEASES, FINANCING STATEMENTS, INSURANCE FOR SECONDARY MARKET ISSUES, AND ANY OTHER SIMILAR OR CHARGE THAT THE AUTHORITY MAY REQUIRE.

4) When a State Guarantee application is submitted to the Authority, the Authority shall review the application to determine whether it is complete and whether it meets the criteria established by the Act and this section. When the Authority has completed the review of the Guarantee application, the application shall be presented, along with a statement of recommended action, to the Board for review at its next regularly scheduled meeting. The review shall include whether the applicant and lender are in compliance with the requirements of the program. The review shall also include an evaluation of collateral, percentage of loan, debt to asset ratio, cash flow, etc.

5) The Board shall approve the application and provide the Guarantee, pursuant to the Act and this Section; or, deny the application and serve upon the lender and applicant a written statement of the grounds for the denial.

6) If the application is denied, the applicant and the lender may request reconsideration stating reasons why the Board should withdraw its denial of the application and approve the State Guarantee. The request should be accompanied by supporting documents and/or information not previously considered by the Board. The Board shall review the request at its next scheduled meeting, and shall either approve or deny the application. A denial of a request for reconsideration shall be final.

7) Upon approval of an application and receipt of the documentation necessary to prepare loan closing documents, a YFG Loan Closing Documents package, which contains all the appro-

- 1) CHARGES A FIXED OR ADJUSTABLE INTEREST RATE THAT THE AUTHORITY DETERMINES TO BE BELOW THE MARKET RATE OF INTEREST GENERALLY AVAILABLE TO THE BORROWER. IF BOTH THE LENDER AND APPLICANT AGREE, THE INTEREST RATE ON THE YFG LOAN CAN BE CONVERTED TO A FIXED INTEREST RATE AT ANY TIME DURING THE TERM OF THE LOAN.

4) IDENTIFIES COLLATERAL ACCEPTABLE TO THE AUTHORITY IN ACCORDANCE WITH SUBSECTION (h) THAT IS AT LEAST EQUAL TO THE STATE GUARANTEE LOAN REQUEST.

5) ASSUMES ALL RESPONSIBILITY AND COSTS FOR PURSUING LEGAL ACTION ON COLLECTING ANY LOAN THAT IS DELINQUENT OR IN DEFAULT subject to consulting the Authority.

6) ASSUMES RESPONSIBILITY FOR AND AGREES TO ABSORB THE FIRST 15% LOSS OF THE OUTSTANDING PRINCIPAL OF THE NOTE FOR WHICH THE STATE GUARANTEE HAS BEEN APPLIED.

7) assumes responsibility for the timely collection and disposition of collateral on a YFG loan that is in default; provided, however, that the lender shall not collect or dispose of collateral on the YFG loan without the express written prior approval of the Authority. Approval shall be granted if the collateral is disposed of in a commercial manner, which nets an amount closely approximating the value of the collateral.

8) agrees that the Authority has final approval on the sale of all collateral for the YFG loan. After the sale of collateral, the State shall be reimbursed its 85% guaranteed portion of the principal balance at default. If funds from the sale of collateral remain after this payment, the lender shall be reimbursed its 15% of the principal balance at default. If excess funds remain after paying the principal to the state and lender, then the state and lender shall be repaid interest on a prorated basis; 85% of such excess funds shall be allocated to the state's portion and 15% shall be allocated to the lender's portion.

NOTICE OF ADOPTED AMENDMENTS

g) The YFG LOAN SHALL BE REVIEWED ANNUALLY BY THE LENDER AND IFDA for adequacy of collateral and performance by the applicant. The applicant is required to provide the lender with a current financial statement annually.

1) If it is determined that there is not sufficient collateral to adequately secure the YFG loan, additional collateral may be required. If the applicant is unwilling or unable to pledge additional collateral, the YFG loan may be called due and payable.

2) If a YFG Loan is going to be called for any reason, written notice which specifies the reasons for said action must be served to all parties (IFDA, lender, and borrower) not less than ninety days prior to call of the loan.

2) 85% of the interest balance as of the date of default or call; and

3) 85% of the interest accrued from the date of default or call until the date payment is made up to a maximum of 120 days.

13) Will these Rules Replace an Emergency Rule Currently in Effect? No.14) Are there any other Amendments Pending on this Part? No.15) A Complete Description of the Subjects and Issues Involved:

Through this adopted rulemaking, the Illinois Department of Public Health has amended various sections of the Illinois Formulary for the Drug Product Selection Program. The Department promulgated amendments to administrative procedures for the Drug Product Selection Program. The actual list of products approved for drug product selection, however, no longer needs to be promulgated.

Revisions to and single copies of the the drug formulary shall be provided to pharmacies at no charge. Upon request, licensed prescribers, student pharmacists and pharmacists practicing pharmacy in this state under a reciprocal license shall be provided a single copy at no charge.

The Department shall offer a subscription to the drug formulary and its revisions to other interested parties at a fee of \$50.00 per year. All subscription fees collected by the Department shall be deposited into the Food and Drug Safety Fund. Subject to appropriation by the General Assembly, moneys deposited in the fund shall be made available to the Department of Public Health to administer the Drug Product Selection Program or for other activities related to food and drug safety or drug product selection.

The Department has also revised the procedural requirements for data submission for those drug products to be considered for inclusion in the Illinois Formulary. This rulemaking requires drug manufacturers to make their initial data submission 50 days (previously 21 days) in advance of the regularly scheduled quarterly meeting. It extends the comment period for manufacturers to respond to each other's data submissions. This is also a more appropriate time interval for Council members to ask for additional data, enhancement of previously submitted data, or clarification of data presented. Revision of the data submission schedule should allow adequate information exchange prior to the actual meeting, and should allow the Technical Advisory Council adequate time to review the data prior to the meeting.

SUBPART A: GENERAL PROVISIONS

Section 790.20 Introduction

a) The Illinois Food, Drug and Cosmetic Act (Ill. Rev. Stat. 1987, ch. 56 1/2, par. 503.14) [410 ILCS 620/3.14] allows interchange of different brands or nonbrands of the same generic drug entity for a

drug product prescribed by a specific trade name. Products selected for interchange must be pharmaceutically equivalent to the prescribed product and must be listed in a positive drug product formulary known as the Illinois Formulary which has been developed, maintained and issued by the Illinois Department of Public Health (hereinafter referred to as the "Department"). The practice of selecting an equivalent drug product from the Illinois Formulary to dispense instead of the trade name product prescribed is known as Drug Product Selection (DPS).

- b) The initial issue of the Illinois Formulary for use in Drug Product Selection became effective on July 1, 1978. Periodic updates to the Illinois Formulary will be distributed by the Department of Public Health. - 15) Summary and Purpose of Rules:

The rules in Part 350 govern the licensure of intermediate care facilities for the developmentally disabled. The Department is amending its rules to implement Public Act 87-567 (Senate Bill 587), effective January 1, 1992. Public Act 87-567 amends the Nursing Home Care Act to require every facility licensed under the Act to establish a policy for the implementation of physician orders limiting resuscitation, such as those commonly referred to as "Do-Not-Resuscitate" orders.

This rulemaking adds a new Section 350.1235 - "Life-Sustaining Treatments" -- to the Department's existing rules. The new provisions require facilities to establish policies concerning the implementation of resident's rights to make decisions relating to their own medical treatment. The rules define "life-sustaining treatment" and set forth the elements that must be included in the facility's policy. Other requirements include the provision of information to residents concerning the treatment options and advance directives available to them; documentation of the resident's decision in the medical records; confirmation of the resident's decision by the physician; procedures for amending the

resident's decision and for provision of treatment in the absence of a choice of life-sustaining treatment by the resident. The rules also prohibit discrimination in the provision of health care on the basis of the resident's decision concerning life-sustaining treatment.

Ms. Gail DeVito, Division of Governmental Affairs, Department of Public Health, 535 West Jefferson, Fifth Floor, Springfield, Illinois 62761, 217/782-6187.

15) Summary and Purpose of Rules:

The rules in Part 390 govern the licensure of long-term care facilities for under age 22. The Department is amending its rules to implement Public Act 87-567 (Senate Bill 587), effective January 1, 1992. Public Act 87-567 amends the Nursing Home Care Act to require every facility licensed under the Act to establish a policy for the implementation of physician orders limiting resuscitation, such as those commonly referred to as "Do-Not-Resuscitate" orders.

Theis rulemaking adds a new Section 390.1025 - "Life-Sustaining Treatments" -- to the Department's existing rules. The new provisions require facilities to establish policies concerning the implementation of resident's rights to make decisions relating to their own medical treatment. The rules define "life-sustaining treatment" and set forth the elements that must be included in the facility's policy. Other requirements include the provision of information to residents concerning the treatment options and advance directives available to them; documentation of the resident's decision in the medical records; confirmation of the resident's decision by the physician; procedures for amending the resident's decision and for provision of treatment in the absence of a choice of life-sustaining treatment by the resident. The rules also prohibit discrimination in the

330.3330	Amendments	17 Ill. Reg. 1321

15) Summary and Purpose of Rules:

The rules in Part 330 govern the licensure of sheltered care facilities. The Department is amending its rules to implement Public Act 87-567 (Senate Bill 587), effective January 1, 1992. Public Act 87-567 amends the Nursing Home Care Act to require every facility licensed under the Act to establish a policy for the implementation of physician orders limiting resuscitation, such as those commonly referred to as "Do-Not-Resuscitate" orders.

Theis rulemaking adds a new Section 330.1125 - "Life-Sustaining Treatments" -- to the Department's existing rules. The new provisions require facilities to establish policies concerning the implementation of resident's rights to make decisions relating to their own medical treatment. The rules define "life-sustaining treatment" and set forth the elements that must be included in the facility's policy. Other requirements include the provision of information to residents concerning the treatment options and advance directives available to them; documentation of the resident's decision in the medical records; confirmation of the resident's decision by the physician; procedures for amending the resident's decision and for provision of treatment in the absence of a choice of life-sustaining treatment by the resident. The rules also prohibit discrimination in the provision of health care on the basis of the resident's decision concerning life-sustaining treatment.

Rev. Stat. 1991, ch. 111 1/2, pars. 5301 et seq.) [745 ILCS 70].
- f) The resident, agent, or surrogate may change his or her decision regarding life-sustaining treatments by notifying the treating facility of this decision change orally or in writing in accordance with State law.
- g) The physician shall confirm the resident's choice by writing appropriate orders in the patient record or will transfer care in accordance with the Living Will Act, the Powers of Attorney for Health Care Law, the Health Care Surrogate Act, or the Right of Conscience Act.

15) Summary and Purpose of Rules:

The rules in Part 300 govern the licensure of skilled nursing and intermediate care facilities. The Department is amending its rules to implement Public Act 87-567 (Senate Bill 587), effective January 1, 1992. Public Act 87-567 amends the Nursing Home Care Act to require every facility licensed under the Act to establish a policy for the implementation of physician orders limiting resuscitation, such as those commonly referred to as "Do-Not-Resuscitate" orders.

This rulemaking adds a new Section 300.1035 - "Life-Sustaining Treatments" -- to the Department's existing rules. The new provisions require facilities to establish policies concerning the implementation of residents' rights to make decisions relating to their own medical treatment. The rules define "life-sustaining treatment" and set forth the elements that must be included in the facility's policy. Other requirements include the provision of information to residents concerning the treatment options and advance directives available to them; documentation of the resident's decision in the medical records; confirmation of the resident's decision by the physician; procedures for amending the resident's decision and for provision of treatment in the absence of a choice of life-sustaining treatment by the resident. The rules also prohibit discrimination in the provision of health care on the basis of the resident's decision concerning life-sustaining

4) **Statutory Authority:** Implementing and authorized by Sections 3-2-2 and 3-6-3 of the Unified Code of Corrections {730 ILCS 5/3-2-2 and 3-6-3, as amended by P.A. 88-0311, effective August 11, 1993 and P.A. 88-0402, effective August 20, 1993}.

5) **Effective Date of Amendments:** September 17, 1993

6) **If this emergency amendment is to expire before the end of the 150-day period, please specify the date on which it is to expire:** Not applicable.

7) **Date Filed in Agency's Principal Office:** September 16, 1993

8) **Reason for Emergency:** Emergency rulemaking is necessary to immediately implement the provisions of Public Act 88-0311, which took effect upon signing on August 11, 1993. This legislation impacts the length of time a committed person must serve in a correctional facility prior to release on parole or mandatory supervised release and is therefore in the best interest of the State to implement the rule immediately.

9) **A Complete Description of the Subjects and Issues Involved:** This rule establishes the standards for implementation of Public Act 88-0311 with regard to earned good conduct credits. It includes both the statutory and departmental requirements for eligibility and award of such credit for satisfactory participation in an educational, substance abuse or correctional industry program. The previous rule for educational good conduct credits is now obsolete and is being repealed as those credits are now included as earned good conduct credits. In addition, it prohibits persons committed for stalking and aggravated stalking from receiving supplemental meritorious good time per Public Act 88-0402.

EXECUTIVE ORDER

93-7

FLOOD TRANSFER II

Whereas, the Great Flood of 1993 has caused severe flooding in many areas of the state; and

Whereas, in July and early August, 1993, I made declarations of disasters for a number of Illinois counties and thereafter requested the President of the United States to declare major disasters in those areas; and

Whereas, I hereby find that the demands placed on funds regularly appropriated or transferred by me in Executive Order 5 (1993) to the Illinois Emergency Management Agency in coping with the Great Flood of 1993 are unexpectedly great; and

Whereas, I find that the appropriation to the Illinois Emergency Management Agency for expenditures from the Federal Aid Disaster Fund is insufficient to match the expected receipt of federal funds to be granted to individuals and families; and

Whereas, I find that other sources of money to cope with the Great Flood of 1993 are insufficient; and

Whereas, Section 9 of the Illinois Emergency Management Act, 20 ILCS 3305/9, authorized the Governor to transfer and expend monies appropriated for other purposes to cope with a disaster when other sources of money are insufficient or to borrow for a term not to exceed 2 years from the United States government or other public or private source, until such time as a quorum of the General Assembly can convene to enact legislation as it may deem necessary; and

Whereas, the President of the Senate and the Speaker of the House have certified that the Senate and House are not in regular session or in extraordinary session relating to the Great Flood of 1993;

Therefore, pursuant to the power vested in me by the Illinois Constitution, and Section 9 of the Illinois Emergency Management Agency Act, I, Jim Edgar, hereby order the following:

A. A total of \$3.7 million of expenditure authority shall be transferred from the General Revenue Funds appropriated to the Illinois Department of State Police, Personal Services, Article 64, Section 3 of Senate Bill 946 (P.A. 88-90) to the Illinois Emergency Management Agency into the line "Disaster Relief, Individual, Payable from the General Revenue Fund, State Share of Individual and Family Grant Program For Disaster Declarations in Fiscal Year 1994", Article 58, Section 6 of P.A. 88-90.

B. A total of \$7.3 million of expenditure authority shall be transferred from the Illinois Department of Transportation, Article 66, Section 30 of P.A. 88-90, to the Illinois Emergency Management Agency into the line "Disaster Relief, Individual, Payable from Federal Aid Disaster Fund, Federal Share of Individual and Family Grant Program for Disaster Declarations In

Fiscal Year 1994", Article 58, Section 6 of P.A. 88-90.

This order shall take effect immediately.

Issued by the Governor September 17, 1993.

Filed with the Secretary of State September 17, 1993.

Whereas, in increasing numbers, Hispanics contribute to the ethnic diversity of Illinois as well as the state's political, business, professional, and volunteer arenas; and

Whereas, in recognition of the past and presently increasing role that Hispanics play in the fabric of the Illinois community, and the Chicago Tribute Company's launching of ¡Exito!, a Spanish-language publication that celebrates the language and culture;

Therefore, I, Jim Edgar, Governor of the State of Illinois, proclaim September 23, 1993, as ¡EXITO! DAY in Illinois.

Whereas, the food service is an integral part of the complete realm of services rendered to hospital and nursing home patients; and

Whereas, conscientious, professional food service employees who work diligently to serve appetizing, nutritious, and cost-effective meals sometimes provide the brightest spot in a patient's day; and

Whereas, menu planners, chefs, cooks, administrators, dietitians, cafeteria staff, aides, and volunteers work in conjunction with other professionals to provide the best possible patient care;

Therefore, I, Jim Edgar, Governor of the State of Illinois, proclaim October 3-9, 1993, as HEALTH CARE FOOD SERVICE EMPLOYEES WEEK.

TREASURE HOUSE DAY**

Whereas, the Treasure House resale shop was founded to provide support to United Charities Family Service DuPage, DuPage County's largest and oldest non-sectarian, multi-service social service agency that provides an array of counseling and support services to vulnerable families; and

Whereas, the resale shop first opened its doors on December 6, 1959, in a two-room apartment in Glen Ellyn, moving to two more locations before settling permanently at 497 Pennsylvania Avenue, Glen Ellyn; and

Whereas, in addition to raising funds for the agency, the Treasure House volunteers have diligently worked over the years to pay all of the repair, remodeling, and operating expenses of the resale shop and made the final payment on their building in 1989; and

Whereas, the dedicated efforts of Treasure House have allowed Family Service DuPage to expand its services to include Family and Individual Counseling, Senior Services, Consumer Credit Counseling, Temporary Residence for Seniors, Youth Intervention Program, Big Brothers/Big Sisters, Adoption Preservation Program, Family Self-Sufficiency, Residential Camping Program, and Employee Assistance Network; and

Whereas, this year Treasure House has exceeded \$1 million in contributions to Family Service DuPage, as indicated by formal

records kept since 1974; and

Whereas, this remarkable contribution has helped enable Family Service DuPage to carry out its 63-year-old mission to encourage vulnerable families to build on their own strength and become self-sufficient members of the community;

Therefore, I, Jim Edgar, Governor of the State of Illinois, proclaim October 3, 1993, as TREASURE HOUSE DAY in Illinois in recognition of the dedication, contributions, and accomplishments of the Treasure House volunteers.

Issued by the Governor September 14, 1993.

GERMAN-AMERICAN DAY**

Whereas, the first German immigrants arrived in the United States in the autumn of 1683; and

Whereas, German-Americans, who are the largest ethnic group in Illinois, have contributed to the life and culture of our state and nation; and

Whereas, General Friedrich Wilhelm von Steuben was appointed Inspector General of the Army by Congress and organized and trained the soldiers for General Washington during the war for independence. His "Regulations for the Order and Discipline of the Troops of the United States" are still used by the Army today; and

Whereas, Americans of German descent include General Dwight Eisenhower, John Steinbeck, Babe Ruth, Henry J. Kaiser, and the Rockefeller family; and

Whereas, the United German-American Societies of Greater Chicago are sponsoring a number of festivities to celebrate Illinois' German-American heritage, including the 28th annual General Von Steuben Parade September 18 and the annual German-American fest September 17-19;

Therefore, I, Jim Edgar, Governor of the State of Illinois, proclaim October 6, 1993, as GERMAN-AMERICAN DAY in Illinois in honor of this annual celebration of their heritage.

Filed with the Secretary of State September 17, 1993.

**93-428
SLEEP AWARENESS MONTH**

Whereas, sleep deprivation is rapidly becoming recognized as a major medical, social and economic concern that affects the lives of millions of Illinois citizens every day; and

Whereas, between 200,000 and 400,000 sleep-related traffic and workplace accidents occur nationally, resulting in an

estimated \$16 billion in lost productivity, medical costs, and sick leaves; and

Whereas, the National Institute on Sleep Disorders has been established at the National Institutes of Health for the study of sleep architecture, sleep disorders, and sleep treatment; and

Whereas, public awareness and concern over the issue of sleep deprivation has been documented in leading medical and general interest publications as well as by various electronic media in Illinois and throughout the nation;

Therefore, I, Jim Edgar, Governor of the State of Illinois, proclaim October 1993 as SLEEP AWARENESS MONTH in Illinois and urge citizens to be aware of the proper amount of sleep important to their overall health and well-being.

DISASTER AREA - TAZEWELL COUNTY

A series of thunderstorms and torrential rains on September 13, 1993 delivered five and six inches of rainfall in and around Tazewell County, creating flash flooding throughout the county and flooding along the Mackinaw River and its tributaries. This has caused a disruption of public services to homes, farms, agricultural levees, local roads and other properties.

In the interest of aiding that county affected by the adverse weather and minimizing the threat to public health, safety and welfare of our citizens, I hereby declare Tazewell County to be a State of Illinois Disaster Area, pursuant to provisions of section 3305/7 of the Illinois Emergency Management Agency Act, 20 ILCS 3305/7 (1993 State Bar Edition).

This gubernatorial declaration of disaster will aid the Illinois Emergency Management Agency in coordinating the assistance of local units of government, other State agencies, and volunteer resources in providing reasonably necessary emergency measures for disaster mitigation throughout the county. This declaration will also provide for the reassessment of real and personal property and make possible any requests for Federal disaster assistance.

Issued by the Governor September 17, 1993.

Filed with the Secretary of State September 17, 1993.
